

## Chairman's Message

Welcome to the Web Site of your Republican Party in Osceola County.

This Web Site is dedicated to providing you with accurate, current and relevant information about our Party, the Candidates, and the important issues of our time. Our formal title is the Osceola County Republican Executive Committee (OCREC), which consists of men and women who are proud Americans that are optimistic about the future of our Country. We invite you to use this site to gain an understanding of the Republican Party and the principles that have made it great, meet our candidates, and share our prospective on the issues that will shape America in the years to come. Becoming a MEMBER of our organization is a click away when you fill out the membership/volunteer form.

There are links available to take you to other sites for additional information:
