I am a Republican Because I believe...

The strength of our nation lies with the individual.

As our Founding Fathers before us, that all of us are created equal with the unalienable right of life, liberty, and the pursuit of happiness.

America is the "Shining City Upon the Hill", advanced by our dedication to optimism and peace through strength.

In values that have made us strong: Lower Taxes, Less Government, Personal Responsibility, Economic Stability, Educational Empowerment, Strong Family Values and More Freedom.

All politics are local, and we should be involved and active within our community by aiding the grassroots efforts of the Grand Old Party.

The Republican Party most nearly represents our core beliefs and is best at translating those ideals into positive and successful principles.
